Descripción del perfil

Inherently curious and strategic thinker able to see unexpected connections and "join the dots"; a believer in the power of data-driven storytelling where creativity and objectivity meet. Deep experience in all aspects of advertising sales and content research and an expert on the global measurement landscape. Inspirational leader across diverse teams with excellent consultancy and negotiation skills. data | analytics | consumers | trends | business intelligence | futurism | strategic planning | insights | primary research | secondary research | media strategy | behavioral economics
