Descripción del perfil

Professional with a large international experience working in strategic management, planning and business development for the insurance and services industries. With a business and international background, had the pleasure to work within a variety of multicultural working environments. Proactive and results oriented, strongly driven by new challenges with proven track record in teamwork, high personal and communication skills. I hold an MBA at IE Business School in Madrid. Along my personal life, I have lived in Bolivia, Chile, Germany, Spain and the UAE, and I am native in Spanish, fluent in English and German and with a basic level in Portuguese.
